Made in Britain

Our History

As part of the family-owned Naylor Group, Yorkshire Flowerpots has a heritage firmly planted in 133 years of clay manufacture.

More than a century's experience, high quality work by skilled craftsmen and a unique firing process have all made Yorkshire Flowerpots the UK's foremost manufacturer of 100% frostproof flowerpots.

Naylor's was founded in 1890 following the discovery of a rich seam of Yorkshire clay during the construction of the Denby Dale Viaduct. The great-grandfather of current CEO Edward Naylor set up the company to produce underground drainage pipes. Its pipes are still used today and enjoy a reputation for durability in the toughest conditions.

The range of flowerpots and gardenware is a more recent innovation, but the company has combined its industrial heritage with modern design to make a durable, desirable product that is 100% made in Yorkshire and guaranteed frostproof. Yorkshire Flowerpots are the UK's only volume manufacturer of terracotta planters, producing over 200,000 per year.

Durability, high quality and creativity have been close to the company's heart ever since it was founded. Unlike products fired at lower temperatures in warmer climates overseas, Naylor's locally-sourced clay is fired to the highest temperatures - in excess of 1030°C. This ensures the products have a toughness which makes them more than a match for the rigours of a British winter.

Designed stylish

Yorkshire Flowerpots aims to combine its industrial heritage with modern designs to make a durable and yet desirable product.

The stylish look of the pots has been achieved with input from some of Britain's leading designers, as part of a government backed Design Council project.

Hand crafted

We use local clays from our own quarries. Because of the nature of clay used in our products, lime bloom and salts will occur as natural efflorescence, but this is not detrimental to the frostproof performance of the Yorkshire Flowerpots range.

DESIGNED & MADE
IN YORKSHIRE

Why our pots are Frostproof

Yorkshire Flowerpots has adopted a firing process known as vitrification used to produce drainage pipes that will withstand the rigours of all types of climates.

This high temperature firing process is also ideal for gardenware. The planters are fired to temperatures in excess of 1030°C for up to five days to produce a blue core with incredible strength within the pot - thereby rendering it frostproof. Yorkshire Flowerpots are:

- Made from robust Yorkshire natural red clay
- Fired to temperatures in excess of 1030°C
- Manufactured with a high strength blue core
- Independently freeze / thaw tested to -15°C

Frostproof

Guarantee Statement

Reflecting the high quality of the Yorkshire Flowerpot range, we have a pledge guaranteeing that all Yorkshire Flowerpots are frostproof. The pledge guarantees resilience to temperatures of minus 15°C and offers all-year peace of mind.

The contrast is with imported pots, many of which are sold as 'frost resistant', despite being manufactured in warmer climates which do not prepare them for harsh winters.

The Yorkshire Flowerpots guarantee refers to frost damage (not breakages caused by dropping etc). Any pots found to be damaged by frost will be replaced not credited. A photo of the damaged pot must be supplied.

Terms & Conditions

Prices & VAT

Orders are accepted subject to availability, at prices applicable at time of despatch. All prices are exclusive of VAT.

Carriage

Minimum carriage paid load size is £900 nett value excluding VAT. Orders below carriage paid load size will be charged at £50 per pallet.

Payment

Unless otherwise stated all invoices are payable by the end of the month following the month of delivery.

Claims

All claims for breakages and shortages must be notified to Naylor in writing within five working days from date of delivery. Broken items should be retained for inspection. Delivery note/invoice number must be supplied to process claim.

Returns

No goods may be returned without the prior agreement of Naylor, which reserves the right to charge for any costs or expenses it incurs in connection with such cancellation.

Display Benches

All display benches are supplied free on loan and remain the property of Naylor solely and exclusively for the display of Naylor products. Naylor reserves the right to reallocate any display benches in the event that these benches are not used for their intended purpose.

Customer Information

- This catalogue is trade only.
- The sizes shown in this catalogue are metric and imperial, where applicable diameter and height.
- Point of Sale is available for every Yorkshire Flowerpots and Naylor stockist.
- All pots are pre-labelled at Yorkshire Flowerpots/Naylor recommended retail price.
- Standard mixed pallets are available.
- All Yorkshire Flowerpots products are made from natural material and subject to constant monitoring.
- All Yorkshire Flowerpots are provided with holes for water drainage performance.
- While every attempt has been made to reproduce colours of product and glazes exactly, the materials used may result in products supplied differing slightly from brochure colours.
- Prices, weights, colours and product designs may vary without prior notice.
- To assist with deliveries please advise if you can accept deliveries on 45' artic lorries and if you have a fork lift truck for off loading.
- Let us have your e-mail address so we can keep you informed of offers.
- Find Yorkshire Flowerpots on Facebook.
- Follow Yorkshire Flowerpots on Twitter.com/QueenofPotsLiz
